These courses are two day courses covering the 2006 Intl. Codes, WFCM and Legal Aspects. Classes are designed to provide knowledge of the general requirements and application of these codes. A certificate for 13 hours of Continued Education will be issued for all two day courses. Course will be held from 8:00 AM till 4:00 PM with one hour for Lunch. Handouts of all power point slides and copies of all inspection check lists will be provided. If you have any questions concerning any of these courses, contact Susan Carrigee at (228) 469-0004. These classes are being provided by a grant through MEMA and will be limited to the first 30 applicants.

Please return your completed application to susan@carrigeeconsulting.com or by Fax: (228) 242-4000
