

**Scope:**

This course is for Master Electrician covering the 2005 National Electrical Code and the 2006 International Residential Electrical Codes. This will be a two-day course.

The 2006 IRC & 2005 NEC course concentrates on the minimum requirements for residential & commercial construction. The course is to provide knowledge of the general requirements and application of Electrical codes.

**Instructor:**

Bill Carrigee will be the instructor. Mr. Carrigee is a Certified Building Official, Building, Plumbing and Mechanical Code Official, Residential Combination Inspector, and Certified Floodplain Manager. He has over 30 years of experience in building, plumbing and electrical and is licensed in all three areas.
